Dear Doctor Vodanovic:

One of your very great enthusiasts, Neda Rendic, suggested that I contact you. After hearing such wonderful things about you, I promised that I would contact you.

I am enclosing two booklets which will give a brief picture of the calibre of artistic attainment found in Yugoslavia today. It has been a very encouraging uphill plunge.

In the meantime, I would suggest that you contact the following people directly - use my name as they are very dear friends and will certainly be more than cooperative in your meeting of minds category.

Dr. Marko Fotez (Producer, director)

Beograd, Yugoslavia

Mr. Ivo Vuljevic (general Manager P
Hrvatsko Narodno Kazaliste
Trg. Marsala Tita 15
Zagreb, Jugoslavia

You can also contact S. HABUNEK (producer-Director) through Vuljevic. Perhaps you can work some exchange deal with them. It is certainly worth the effort.

Best of luck to you.

Sincerely,
