Dear Sergio:

I was delighted to learn of Milena's birth and that she and Betty are both doing well. I assume the same goes for the father.

For my part, I feel sure that you continue to have sympathetic friends within the Foundation and although I am leaving officially at the end of this month I do expect to be traveling extensively in Peru, Chile and Argentina later this fall with a colleague, Dr. Gerald Freund, who will take over many of my responsibilities. Certainly there is no possibility as long as we both can write of losing our connection with each other.

One of my last actions here will be to submit for formal consideration to the Foundation support for a second year of the Taller de Escritores at the University of Concepcion. A letter giving the Foundation's decision, which I hope will be favorable, should be sent the Rector with a copy to Alegria and you within the next ten days.

Abrazos and hasta pronto,

John P. Harrison
